

MY CHRISTMAS VOW

By: Mel Gibson

(Words & music by David/King)

This is my promise....my Christmas vow

I will always love you, as I love you now
You will be part, of every heartbeat
And we will share, my every prayer

Eternally, you'll always be...
My heart and soul....Eternally
This is my promise, my sacred promise
This is my promise, my Christmas vow

Eternally, you'll always be...
My heart and soul....Eternally
This is my promise, my sacred promise
This is my promise, my Christmas vow

Eternally....you will be.....
The one and only love, for me
