

HONEST I DO

By: Mel Gibson

(Words & music by Ewart Abner and Jimmy Reed)

Don't you know that I love you
Honest I do
I'll never place
No one above you

Don't you know that I love you
Stop drivin' me mad
When I woke up this mornin'
I never felt so bad

Oh tell me you love me
Stop drivin' me mad
You're the sweetest little woman
That I ever had

Please tell me you love me
Stop drivin' me mad
When I woke up this mornin'
I never felt so bad

Don't you know that I love you
Honest I do
I'd never place
No one above you

Please tell me you love me
Stop drivin' me mad
When I woke up this mornin'
I never felt so bad
